## THE CICERO OF THE MOUNTAINS DEVIATES FROM HIS USUAL COURSE AND TAKES A WILD CRACK.

Mt. Vernon, Ky., Sept. 21, 1904. MT. VERNON SIGNAL.

I am here attending court, and heard the speaking Monday.

E. T. Franks is the most popular Republican speaker in Kentucky, but what a sad mistake the party made in its nomination for Congress, a man who can neither look nor speak. If he were a candidate for the Legislature in Lincoln county, the people would not listen at him five minutes. Ike Stapleton can beat him to death speaking. After the speaking was over I asked an intelligent Republican why they nominated such a small caliber for Congress? He said: "well, he had been wanting it for some time—that is, the nomination."

Now if Mr. Gilbert had E. T. Franks against him, he would have to bestir himself. As it is, all the Democratic candidates for Congress in Kentucky have a heavy weight to carry, the old man of the sea, Mr. Parker. His very nomination almost endangers Kentucky. But I want to appeal to the good democrats not to allow that hideous mistake at St. Louis to throw Kentucky out of line. No good democrat has any love for the Benedict Arnold of the democratic party, Grover Cleveland, or any one he supports or whose candidacy he advocates. He is the man who stranded the great ship of Democracy upon the rocky coast of treason to those who elected him. Had not Cleveland been elected in 1884 and 1892, the party who made this great country under such men as Jefferson and Jackson would have been in force today. The present nomination is McClelland in 1864, Seymour and Blair in 1868, Greeley and Grant Brown in 1872, Hancock and English in 1880. When the democrats nominated in 1876, Tilden and Hendricks, the people elected them by 169,000 of the popular vote and 19 of the electoral college. "Yes but they were not allowed to take their seats. I am not talking about what the election commission did, it is what the people did at the election."

I want the democrats to adhere to the principles and not allow the party to disintegrate. W. J. Bryan and I will try after the November election to rally the scattered cohorts, and reunite the great people's party on a platform vindicating the people's rights.

If you are going to run a democrat on a republican platform, why not accept the republican nominee? Electing a so-called democrat with republican principles can hurt the party much worse than a defeat.

I want to say to the brave and courageous democrats of this county and Congressional district, you have been basely sold out and betrayed but don't be discouraged. Although you will accomplish nothing in the presidential race, adhere to your party and vote for your Congressional candidates. As for Parker the peerless, W. J. Bryan says: "The common class of people have nothing to hope for from him." It does seem that a party whose very name derived from two Greek words, DEMOS, the people and CRATOS, power. Power in the hands of the people, will always find many earnest followers in a land whose cardinal glories are the people rule. In conclusion, stand by your Congressional nominee and do not remain silent passengers on the ill-fated bark of democracy as it floats slowly and silently down the stream of time into the dark and tideless gulf of defeat. Save your Congressmen from the great Parker-Cleveland wreck!

Yours, hoping for a bright resurrection after the terrible defeat in November. Save the Congressional passengers.

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co., of Chicago, discovered some years ago how to make a salve from witch hazel that is a specific for Piles. For blind, bleeding, itching and protruding Piles, excema, cuts, burns, bruises and all skin diseases, DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. Sold by the Mt. Vernon Drug Company.

"The sparrow was in a blind rage a minute ago," said the first robin.

"I guess that explains why he went off in a pet just now," replied the other.

"How do you mean 'in a pet'?"

"That Angora cat just caught just caught him."

## A POWER FOR GOOD.

The pills that are potent in their action and pleasant in effect are DeWitt's Little Early Risers. W. S. Philpot, of Albany, Ga., says: "During a bilious attack I took one. Small as it was it did me more good than calomel, blue mass or any other pill I ever took and at the same time the effect was pleasant. Little Early Risers are certainly an ideal pill." Sold by Mt. Vernon Drug Company.

## POLITICS AND POLITICIANS

It is announced that former Vice President Adlai E. Stevenson, will make a number of speeches in favor of the Democratic national ticket.

The Democratic State Campaign Committee decided to open the campaign all over the State on Oct. 3. Senators McCreary and Blackburn and probably Democrats from other States will be among the speakers on the first day.

Judge W. H. Taft will speak for the Republican National ticket in Louisville on Oct. 3.

Senator C. W. Fairbanks opened the Republican campaign in West Virginia Saturday, speaking to about 5,000 people at Parkersburg.

A prominent Democrat of Cincinnati who has just returned from the East says the Hon. John C. Carlisle probably will make some campaign speeches in Kentucky, including one or two in his old district, the Sixth.

## A REMEDY WITHOUT A PEER

"I find Chamberlain's Stomach and Liver Tablets more beneficial than any other remedy I ever used for stomach trouble," says J. P. Klotz, of Edina, Mo. For any disorder of the stomach, biliousness or constipation, these Tablets are without a peer. For sale by Chas. C. Davis.

She Had Tried It. —A New York senator relates that he was riding in a car next to a motherly old lady, who asked him a question. He answered, but found the old lady very deaf. He repeated his answer in a shout, and "You are very deaf, aren't you, madam?" belloved the senator.

"I am so," she replied, "and haven't been able to do a thing for it."

"Have you ever tried electricity?" asked the senator.

"Yes," she said, nodding vigorously. "I was struck by lightning last summer."

it. Their doctors trusted it. Your doctor trusts it. They trust it yourself. There is health and strength in it.

"I suffered terribly from indigestion and this Sarsaparilla cured me." Mrs. F. H. HART, Mt. Vernon, Ky.

## Rich Blood

Ayer's Pills are gently laxative. They greatly aid the Sarsaparilla.

AIDED by Democratic lawyers,  
appealing to democratic courts,  
Dr. Hunter continues to attempt to  
force himself upon the Republicans  
of the Eleventh district as their  
candidate for Congress without hav-  
ing received a majority of the votes  
in the primary to support his claim.  
It seems as if it is his intention to  
prolong his fight, even though his  
presistence up to election day should  
have the effect of injuring the Re-  
publican party. In that case Dr.  
Hunter is demonstrating that he  
is for himself alone, above all party  
above all wishes of the majority of  
the Republicans of the Eleventh  
district. The inevitable result of  
such defiance will be as it ought to  
be, that Dr. Hunter will be ground  
to powder. If he thinks he can  
destroy the party—carry it down  
in his own ruin—let him try it.  
The Republicans of the Eleventh  
district will show him how deeply  
he can be buried under an avalanche  
of party indignation. —[Louisville  
Herald.

Yes, they are going to elect  
Stone, if there is anything in what  
they say.

From speech of William J. Bry-  
an, at Springfield, Mo., Sept. 1st  
1904.

"Judge Parker believes in the  
gold standard, I believe in bimetal-  
lism, but I can vote for him in or-  
der that through him the country  
may rid itself of an imperial policy.  
What if he does believe in the  
gold standard? I never disliked an  
advocate of the gold standard so  
much that I would refuse any aid  
that he was willing to give toward  
bringing to the country any good  
things, and Judge Parker's election  
would bring us relief from imperi-  
alism. If any silver Democrat is still  
in doubt as to his duty, let me say  
to him that Judge Barker voted for  
me when the restoration of bimetal-  
lism was the paramount issue. If  
he could vote for me when the  
money question was paramount, I  
can vote for him when we are con-  
fronted with another and GREAT-  
ER ISSUE than the money ques-  
tion."

With this issue the Signal rounds  
out its seventeenth year. Almost  
five years of that time, the present  
management has had charge, and  
while we have accomplished no big  
things, yet we do not feel that in  
any particular, has our efforts been  
a failure. By lots of hard work—  
and by the way we wish to add  
right here—that the editor of any  
country paper does twice as much  
work as he is given credit for—we  
have been able to make all ends  
meet and as Louis Landrum would  
say just after receiving a small do-  
nation of garden truck from some  
of his country friends, as long as  
that lasts we ought to be satisfied.

JUDGE ALTON BROOKS PARKER  
in a letter addressed to the com-  
pilers of the democratic text book  
has this to say, which shows con-  
clusively the character of a man he  
is: "I hasten to beg you to see to  
it that there is no word in it that  
reflects upon the personal honor  
and integrity of President Roose-  
velt. An Evening Post editorial  
indicates that but little care was  
taken in that direction toward my-  
self by the compiler of the Repub-  
lican text book, but let there be no  
rejoinder in kind or otherwise. I  
feel confident that you need no re-  
minder, still my anxiety impels me  
to send this caution."

THE HON. N. D. MILES, Re-  
publican candidate for Congress in  
this district, was here Monday.  
His chances to win are about as  
good, as Roosevelt's are to carry  
Georgia.

IT SEEMS that it is about time  
some Parker-Davis Clubs were be-  
ing organized throughout the

The Democratic campaign text-  
book, in handling Senator Gallinger  
over the coals as a falsifier, says:  
"The total value of our manufac-  
tured goods sold at home is not less  
than \$6,000,000,000. The value of  
these same goods for export is only  
\$4,000,000,000, and the difference  
between these two amounts, (\$2,-  
000,000,000) is what the American  
people pay for protection!" In  
other words, American goods are  
sold in Europe at one-quarter less  
than they can be bought for by  
American consumers here at home!  
Is this to continue forever?

THE Executive Committee of  
the 9th Congressional district was  
called to order by Chairman J.  
Norton Fitch, at Nicholasville  
Tuesday, when the Hon. G. G.  
Gilbert was declared the nominee,  
no other candidate having entered.  
Another walkover for him.

THE Republicans are very jubi-  
lant over a 25,000 or 30,000 majori-  
ty up in Vermont last week. They  
are welcome to all the consolation  
there is in it, but just wait until  
Parker gets through with New  
York and the tune will change.

JUDGE W. H. MCKAY, of Cov-  
ington, holds the new registration  
law unconstitutional and if it is not  
unconstitutional, it is most assured-  
ly a great nuisance, of which a  
majority of the people would like  
to rid themselves.

The pleasant summer weather is  
the only thing, which President  
Roosevelt in his 12000 word letter  
of acceptance, does not claim credit  
for.

THE vote in Maine shows the in-  
crease to be only 15 per cent. with  
the Republicans and 31 per cent.  
with the Democrats.

The announcement that a man

sentenced lately to eighteen months  
in the penitentiary for shooting at

is ambiguous, as it implies a pen-  
alty for bad marksmanship, when  
the sentence was evidently for maj-  
or shooting. It is well to be  
exact in such things when Ken-  
tucky is subject to such critical  
comment in everything relating to  
pistol practice.

The Lost Art:—

Her skill was hard to beat.

Young Lady (at seaside, to mar-

"No, Miss, it ain't. It's because  
of their riggin' costing so much."

"Did you actually have the nerve

Don't Chew The Rag—Do not  
grumble. If things do not go to  
suit you, and all your efforts seem  
out of joint, as they often will seem  
accept the inevitable without com-  
plaint and have another try. A  
chronic grumbler is a nuisance to  
himself and all around him. Every  
one feels like giving a wide berth  
to the one who is always complain-  
ing of hard luck. The man who  
cannot meet trouble face to face  
when it comes, and conquer it,  
will find a rough path—but to on-  
who, with a stout heart and cheer-  
ful determination, takes the ba-  
with the good, and makes the best  
of the bad and the most of the  
good, will find his pathway smooth  
er for it. —Epitomist.

A Danish electrician named Pan-

cessfully attempted a curious feat.  
It is said that he has been able to  
operate the keyboard of a typewriter  
at a distance without any visible  
connection between it and the in-  
strument at hand. It is added that  
he has also discovered a new kind  
of "electric wave," whose existence  
has been suspected, but which has  
never until now been revealed.  
The man made use of this mys-  
terious agency to produce this  
strange and wonderful phenomenon.

Among the numerous supersti-  
tions of the Cossacks there is non-  
stronger than the belief that they  
will enter heaven in a better state

time they are killed. Consequent-  
ly before an expected battle they  
perform their toilets with scrupu-  
lous care, dress themselves in clean  
garments, and put on the best they  
have. This superstition is not con-  
fined to the Cossacks alone, but is  
widely prevalent in all branches of  
the Russian army.

## THE SUNDAY BIBLE SCHOOL

Lesson in the International Series  
for September 25, 1904—Quar-  
terly Review.

(Prepared by the "Highway and By-  
way" Preacher.)  
(Copyright, 1904, by J. M. Edson.)  
GOLDEN TEXT FOR QUARTER.—"The  
Lord is merciful and gracious."—Psalm  
103:8.

## The Quarterly Review.

The Kings.—The quarter's lessons  
have taken us over about 80 years of  
the history of Judah and Israel. Three  
reasons have been devoted to the kings  
of Judah—Rehoboam, Asa and Jeho-  
shaphat—and nine to the kingdom of Is-  
rael. Following the splendid reign of  
David and the magnificent reign of  
Solomon, Rehoboam, the  
latter's son, came to the throne, and it  
was his pride and impolitic conduct  
which alienated the ten tribes from  
Judah, the ruling house. Jeroboam  
the son of Nebat, became king over the  
northern kingdom and Rehoboam con-  
tinued as king over Judah and part  
of the tribe of Benjamin.

## Kings of Judah and Israel.

The following diagram gives the king-  
doms of the two kingdoms, the length of their  
respective reigns and the prophets who  
served in Judah and Israel. Note the  
great number of kings in Israel and the  
shortness of their reigns as compared  
with the Kings of Judah:

SAUL (40 YRS.) SAMUEL	REHOBOAM (22 YRS.) SHEMIAH (5 YRS.) ABIAH (3 YRS.) AZARIAH (1 YRS.) JEREMIAH (1 YRS.) JEHOIAKIM (11 YRS.) JEHOIACHIN (3 YRS.) JECHONIAH (1 YRS.)
DAVID (40 YRS.) NATHAN	ASAH (41 YRS.) ELIJAH (1 YRS.) ELISHA (2 YRS.) ELIJAH (1 YRS.) ELIJAH (1 YRS.) ELIJAH (1 YRS.) ELIJAH (1 YRS.) ELIJAH (1 YRS.)
SOLOMON (40 YRS.)	JEHOIAKIM (11 YRS.) JEHOIACHIN (3 YRS.) JECHONIAH (1 YRS.)

The Names of the Prophets are in Blue  
Facing Type.

The Lessons.—Of the six kings con-  
sidered in the lessons two were good  
and four were bad, but even the good  
kings made grave mistakes which God  
did not fail to record for our instruc-  
tion and warning. Note that the gen-  
eral tendency in the two kingdoms is  
toward the ultimate ruin, which engulfed  
first Israel and then Judah. The events of the lessons nat-  
urally group themselves around the  
kings of Judah and Israel and the  
prophet Elijah. For this reason the  
review may well be made a character  
study. Note how the character of the  
kings determine largely the char-  
acter of the nation: good kings bring-  
ing about wholesome reforms and bad  
kings causing great moral and relig-  
ious decline. The lessons are full of  
God, of His mercy, patience and judg-  
ment on sin; of sin, its beginnings, its  
progress, its ultimate ruin and death  
of prayer, its importance, the character  
of true prayer, its power and the ne-  
cessity of prayer.

Review Methods.—If the review is to  
be general the superintendent may as-  
sign to capable members of the school  
papers on the different kings and  
Elijah. If it is a class review the  
sacker may assign such papers to the  
members of the class. Or each one may  
be asked to bring in a written list of  
the kings with their prominent traits  
of character enumerated; as, Reh-  
boam—proud, unreasonable, weak, y-  
appressive. Jeroboam—ambitious, un-  
scrupulous, ungodly; Asa—God-fearing,  
conscientious, energetic, enterprising,  
y-ve, etc. Or the scholars may be  
interested and encouraged to cover the  
points in each lesson by an acrostic  
exercise. Take the names of the king  
and of Elijah and after the following  
manner tell of the events of the les-  
sons:

Tehoboam ruptured the kingdom.  
Exasperated his subjects,  
Teeled not wise advice,  
Obeyed false leaders,  
Boasted of what he would do,  
Ordered Adoram to a fatal task,  
Almost lost his own life,  
Made a failure of life.

Jeroboam built cities,  
Established his kingdom,  
Relied on his own wisdom,  
Evil purposes carried out,  
Built golden calves,  
Ordered people to worship them,  
Altered the feast days,  
Made priests of the lowest of people.

Asa allied himself with God,  
Sought for religious revival,  
Applied himself to national problems,  
The above will give the idea and the  
rest of the lessons can be worked out  
in this manner. This method would  
also prove attractive and successful  
for a general blackboard exercise.

Rem's Horn Blasts.  
Breeding over troubles but hatches  
new broods.  
There is little to inspire in a spire with  
a debt on it.  
A large house often gives the soul a  
cramped feeling.  
He must have a holy purpose who  
seeks Heavenly power.  
The presence of the Master makes the  
mansions of His people.  
Man cannot live by bread alone and be  
will not work for bread alone.  
A little money to-day may be worth  
more than a big monument to-morrow.

Having canvassed a large portion of the county in the interest of my race for the short term for assessor, and finding it to be the general feeling of the majority of the voters, that Mr. H. C. ## FALL OPENING.

SATURDAY, OCTOBER 1ST

You are cordially invited to attend the Opening Display of stylish and beautiful Pattern Hats. Come and see the lovely new blended autumn shades now used in millinery. MRS. SALLIE WILLIAMS.

Owners of live stock, (except cows), had best make arrangements for penning, or some other disposition of the rosters, bovines, equines, goats etc within the next fifteen days as the town board proposes to enforce the stock law without fear or favor.

The writer wants to deny that he said Ike Dooley and Andy Fish couldn't head off a big turtle. He didn't say it. All in the world he said was that if it come to a fair race on good smooth ground that the turtle would be the first under the music. Now aint that hit?

An effort will be made to get the mail route between this place and Wildie changed and have the mail carried to Orlando. The change will be asked for on account of the high water between here and Wildie during the winter months. A new post office will also be established at W. M. Owens' store near Sparks' quarry.

THE TOWN.—Members of the Board of Town Trustees have received notice of indictment by the grand jury, of May term, for non-enforcement of the law etc. The Board worked faithfully to do some thing for the town and met only with discouragement all along the line, except in a few notable instances where the people had taken a serious view of the situation. The Board was badly handicapped and really couldn't enforce its ordinances. All of the handicaps have been removed and the Board is now in good working order and in full force and effect both personally and legally and there will be no let up in the future. An assessment will be made, at once, and a levy of about 50 cents, the limit, will be made on the \$100 of property, and a poll tax of \$1. A marshal will be appointed. A general stock ordinance has been passed which will go into effect within next ten days which will keep all kinds of live stock (except de cows) from running at large upon streets and alleys.

Improvements upon the streets have already begun and a crossing at South end of Williams' street in West end of town will soon be in shape to accommodate the traveling public. Those doubtful Thomases who have been a drag to and a hindrance against the Board and progress, may as well make preparations to pay their tax and jump into the band wagon.

The oil boom is almost here. Wade Brown has sold his interest in the firm of Price & Brown to his partner, Dr. T. I. Price. Wade says he is going to do as he pleases for the next six months anyway.

The board of election commissioners for Rockcastle county, composed of H. L. Tate, Chairman, W. T. Davis and W. M. Poynter, met Saturday and appointed the following gentlemen to serve at the November election:

The next case called was that of Alex Frost and Henry Cox for the killing of Wm. Gant at Pine Hill last Christmas.

The following jury was selected to try them: J. J. Martin, John Adams, Henry Mullins, John Crawford, Alfred Bryant, G. W. Griffin, Tack Langford, Grant Simpson, Jonas Brown, James Griffin, W. M. McQueen, and E. Bullock. The attorneys for the defense are Attys. C. C. Williams and P. D. Colyer, and the Commonwealth's Attorney is assisted by County Attorney L. W. Bethurum and Att'y. B. J. Mrs. Emily Mullins, of Mullins Station was the guest of her daughter, Mrs. Willis Sigman, last week. Mrs. Sigman is now convalescent over a seige of typhoid fever.

The social at the Baptist church Tuesday evening was a pleasant affair, and highly spoken of by all who were present. Rev. F. P. Gates announced there would be another one given in a month. Everybody cordially invited.

Mr. and Mrs. Buck French entertained with an elegant dinner Sunday, Sept. 18th, in honor of the 21st birthday anniversary of their son George French. Those present from this place, were, Messdames J. S. Cooper and George Cook, Misses Georgia and Rose McFerron, Cora Adams and Lida Cook, Archie Cooper and Wm. Stanley.

The next Legislature will be asked to pass a law requiring all nominations, of all political parties, to be made by primary instead of convention, the cost to be paid by the State, just as in a general election. L. H. Carter, of Lawrenceburg, formerly a member of the State Senate, said yesterday afternoon that he is considering such a bill and probably will ask some one to introduce it at the next session. Mr. Carter was in Louisville for the day and was at Democratic State headquarters. With regard to the proposed law he said: "On account of the complaint and charges which are always made in convention, whether they be county or district, it seems to me that it will be better for every body concerned to have the nominees of both the parties selected by primaries instead of conventions. County mass-conventions are always productive of charges of misrule or of fraud, and it would be much fairer to have a regular primary in all cases. Even in districts the conventions do not leave a good feeling and cause dissension. I would have all nominees of all parties selected by primary."

"The main objection to the primary is that it is 'expensive and on this account frequently prevents a man from making a race which he is entitled to enter. Under the present rules, the candidates must pay the costs of the primary, and if a candidate has no money he must drop out. This is not fair and I would have the expense paid by the county, district or State and in this way all would be given an equal chance and the burden would fall on the whole number, making it light on all. The public, which is, or should be, interested in having good public servants, should be willing to pay the bill in order to improve the quality of the candidates."—[Courier Journal.

Mr. and Mrs. Buck French entertained with an elegant dinner Sunday, Sept. 18th, in honor of the 21st birthday anniversary of their son George French. Those present from this place, were, Messdames J. S. Cooper and George Cook, Misses Georgia and Rose McFerron, Cora Adams and Lida Cook, Archie Cooper and Wm. Stanley.

The next Legislature will be asked to pass a law requiring all nominations, of all political parties, to be made by primary instead of convention. The cost to be paid by the State, just as in a general election. L. H. Carter, of Lawrenceburg, formerly a member of the State Senate, said yesterday afternoon that he is considering such a bill and probably will ask some one to introduce it at the next session. Mr. Carter was in Louisville for the day and was at Democratic State headquarters. With regard to the proposed law he said:

"On account of the complaint and charges which are always made in convention, whether they be county or district, it seems to me that it will be better for every body concerned to have the nominees of both the parties selected by primaries instead of conventions. County mass-conventions are always productive of charges of misrule or of fraud, and it would be much fairer to have a regular primary in all cases. Even in districts the conventions do not leave a good feeling and cause dissension. I would have all nominees of all parties selected by primary.

"The main objection to the primary is that it is expensive and on this account frequently prevents a man from making a race which he is entitled to enter. Under the present rules, the candidates must pay the costs of the primary, and if a candidate has no money he must drop out. This is not fair and I would have the expense paid by the county, district or State and in this way all would be given an equal chance and the burden would fall on the whole number, making it light on all. The public, which is, or should be, interested in having good public servants, should be willing to pay the bill in order to improve the quality of the candidates."—[Courier Journal.

## Cash Given Away to Users of LION COFFEE

We are going to be more liberal than ever in 1904 to users of Lion Coffee. Not only will the Lion-Heads, cut from the packages, be good, as heretofore, for the valuable premiums we have always given our customers, but

### In Addition to the Regular Free Premiums

the same Lion-Heads will entitle you to estimates in our \$50,000.00 Grand Prize Contest, which will make some of our patrons rich men and women. You can send in as many estimates as desired. There will be

#### TWO GREAT CONTESTS

The first contest will be on the July 4th attendance at the St. Louis World's Fair; the second relates to Total Vote For President to be cast Nov. 8, 1904. \$50,000.00 will be distributed in each of these contests, making \$100,000.00 on the two, and, to make it still more interesting, in addition to this amount, we will give a Grand First Prize of \$5,000.00 to the one who is nearest correct on both contests, and thus your estimates have two opportunities of winning a big cash prize.

Five Lion-Heads cut from Lion Coffee Packages and a 2 cent stamp entitle you (in addition to the regular free premiums) to one vote in either contest:

Printed blanks to vote on found in every Lion Coffee Package. The 2 cent stamp covers the expense of our acknowledgment to you that your estimate is recorded.
